Seven

Seven, one of our bestselling Textafoam Originals. A knitted polyester velvet from our Comfort Collection. This collection stands for softness, volume and elegance.

This piece dyed knitted velvet has a short pile, this gives the textile a soft handfeel and creates a matt and elegant look.

Seven is laminated with a woven backing and is the perfect choice for loose fitting upholstery. Now available in a wide range of trendy, modern and commercial colours from stock.

Packed with care in suspended boxes for full rolls or bubblewrap for coupons (exact meters), to minimize pressure marks during storage, handling and transport.

- Please note that no fluor-carbon treatment has been used for this quality, due to the production and dyeing method it is automatically damp & dirt prevented, stain resistant and easy to clean & maintain.

- We recommend to wash the cover inside out and immediately place the cover back to the piece of furniture, slightly damp, after washing.

Textafoam originals Established in 1970, this Dutch family business brings together craftsmen in textiles and furniture design to build an unrivalled portfolio in upholstery fabrics that meets buyer's needs every time.
