

Oasis

Oasis

Introducing a nice, thick, luxury flatwoven article for the Textafoam Timeless collection, by the name: Oasis.

The Timeless collection represents all our creative essentials and consists out of fabrics that have the very best value for money and suit every style all year round.

Oasis has a strong multicoloured aspect, yet the woven structure is more elegant and will combine perfectly with some plain Textafoam qualities, like Challenger, Juke or Seven. Because of the elegant weave Oasis is an ideal article for loose- and tight-fitting upholstery. Sofa's, chairs, footstools and beds will look great in this nice new quality.

On top of that the rough and tough look combines wonderfully with Oasis' luxurious feel. The soft and comfortable touch is the result of the yarns used in combination with a needle punch coating. Oasis is yarn dyed and thus very stable in its colour consistency.

During use, a certain hairiness or wooliness can appear, kindly note that this can be taken away with a pilling machine and has no further influence on the durability of this quality.

Oasis is machine-washable at 30 degrees Celsius.

- We recommend to wash the cover inside out and immediately place the cover back to the piece of furniture, slightly damp, after washing.
