

# Brave

# Brave

This is Brave. A wonderful microsuede, laminated with a heavy fleece backing. This new quality is in the Textafoam Skins Collection, which contains of all kinds of leather alternatives.

Our product development team created together with our valued partner this wonderful new quality.

Brave has been dyed and printed with a paper print which is especially designed by our product development team. Feeling soft and voluminous, due to a unique lamination process.

Brave is available in a wide range of contemporary colours.

The innovative finish provides a full grip and makes this fabric durable for many years of intense and happy living, due to its optimal cleanability, resistance to moisture and breathability.

Please note that through daily use the used aspect will become more visible, this has no further influence on the quality or durability of this fabric.

- Dirt and damp prevention treatment applied.
- We recommend to wash the cover inside out and immediately place the cover back to the piece of furniture, slightly damp, after washing.
- Please note that during washing the damp- and dirt prevented treatment will disappear faster.

***Textafoam originals** Established in 1970, this Dutch family business brings together craftsmen in textiles and furniture design to build an unrivalled portfolio in upholstery fabrics that meets buyer's needs every time.
