Taurus

Taurus is a roughly woven chenille fabric with a soft feel and a warm, authentic look. This upholstery fabric is in the Textaafoam Comfort Collection. This collection consists only of soft and elegant upholstery fabrics.

The Textaafoam product development team developed this thick fabric together with a weaver which is specialized in jacquard roughly woven textiles.

Taurus has a multicoloured look, created by using different and multicoloured chenille yarns. This heavy textile brings depth and character to any piece of furniture. It has a nice authentic and luxurious appearance as these type of chenille upholstery textiles are perfect for creating cozy, warm and elegant furniture.

During use, a sitting mirror or seat depression may appear. This can be minimized by regularly brushing Taurus against the pile to restore its original position. It is important to note that this cannot be completely removed, as it is a characteristic of this type of yarn. Frequent brushing may cause some hairiness, this can be taken away with a pilling machine/ razor. This will not have any negative influence on the durability of this textile.

Yarn dyed, woven on a jacquard loom, made from 100% virgin polyester and finished with a strong coating. This fabric is highly versatile, making it suitable for both loose-fitting and tightly upholstered furniture.Taurus is available in a wide natural and commercial colourline.

Tests have shown that this fabric delivers everything you can expect from this premium upholstery textile.

Machine-washable at 30 degrees Celsius*.

- Always be careful with sharp or rough objects such as watches, buckles, or Velcro, as they may damage the fabric.

- Consult the washing instructions of your furniture or covers before cleaning.

- Please note that through daily use a certain hairiness may occur, this can easily be taken away with a pilling machine and has no further influence on the durability of this fabric.

- We recommend to wash the cover inside out and immediately place the cover back to the piece of furniture, slightly damp, after washing.
